Allow Chromebook to finish creating your new account.

Select Google options and select "Accept and continue"

Read thru Google Play apps and services and select "More"

Read thru Google Play apps and services and select "Accept"

If you entered a previous Gmail account, it will as you if you want to install any associated apps, otherwise it will say The list of Apps cannot be loaded. Please try again. Select "**Skip**"

The Chromebook is now signed in with your new Gmail account or previous one if you entered one.

Congratulations!!!
