The 477 Program helps eligible program participants with items/resources needed for a successful start to a new job such as uniforms, tools, boots, transportation assistance, etc. If there is additional training that would lead to an increase in wages or benefits, please list below as this program may be able to assist with this as well.

Employer: Please complete this form on behalf of the 477-participant indicating what type of items/resources he or she needs. I will also call you for verification purposes. Thank you in advance for your cooperation.
