ANNOUNCING ONE NEW COVID-19 CASE, UPCOMMING VACCINATION DATES

June 18, 2021

- The GTB Health Department is reporting one (1) new positive COVID-19 case from June 16, 2021. The local health department for Grand Traverse County was notified as the county of residence and is in the process of completing a case investigation. If you've been identified as a close contact (someone who has been within 6 feet of an infected person (laboratory confirmed or a clinically compatible illness) for a cumulative of 15 minutes or more over a 24-hour period. An infected person can spread the virus that causes COVID-19 starting from 2 days before they have any symptoms or, for asymptomatic patients, 2 days before the positive specimen collection date) during the course of the case investigation, please expect to receive a call or text from the local health department or the Michigan Department of Health and Human Services. **It is critically important you respond to the call or text in order to protect the community from further spread.**
