

GTB Tribal Member Bereavement/ Funeral Arrangement Notices

Please note: Whenever a GTB Tribal Member passes away, after being notified by the family a global announcement is sent out to inform Government, Gaming and GTRS of who has died and the Tribal flag is lowered to half-mast. Once funeral arrangements are known that information is passed on globally as well.

Whenever a GTB Tribal Member passes away, please contact Amanda Brooks, Tribal Council Transcriptionist/Executive Support, at (231) 534-7464. She can assist with the global announcement and in posting the notice on the GTB website.
