

IMPORTANT ANNOUNCEMENT CONCERNING THE PRIMARY ELECTION

In response to the COVID-19 virus, the GTB Election Board has made the following modifications to the Election Regulations as it relates to the April primary election:

1. All voting for the primary election will occur via absentee ballot. Ballots will be mailed to all registered voters in the six county service area.
2. No in-person voting will occur, and no hand-delivered ballots will be accepted. All ballots shall be cast by mail. A properly addressed stamped return envelope will be included with each ballot.
3. The date of the primary election is rescheduled to April 21, 2020.
4. On that date the Election Board will meet at 5:00 p.m. to count the ballots that have been mailed in.
5. The deadline for registering to vote for the primary election remains March 26, 2020.
6. All other deadlines following that date relative to the primary election are pushed back by two weeks.
7. The Election Board will request that the Tribal Council push back the date of the general election by two weeks, however, unless or until that happens the general election will occur as scheduled.
