

July 16, 2020

To continue protecting our community and community members from the pandemic, the Cultural Department has canceled the annual GTB Family Language Camp (August 12-14, 2020) and Peshawbestown Powwow (August 15-16, 2020). The health and safety of our people will always be our priority. We look forward to the annual gatherings 2021, Weweni (Be safe).
