

our Peshawbestown Master Plan Vision Sessions

“A Nation grows stronger when built upon shared visions.”

The Grand Traverse Band of Ottawa and Chippewa Indians Tribal Council has commissioned the preparation of long range master plan for Peshawbestown to guide its future development for the benefit of tribal members. The goal of the master plan is to plan and assess for future economic growth, especially small and emerging businesses, on property and land within the Reservation.

Tribal members are encouraged to participate in the community vision sessions focusing on Peshawbestown; our town. Your comments, ideas, priorities and vision will be valued by the Tribal Council and administration and used to prepare the master plan. Please attend one the vision sessions which will last approximately two hours. Sessions will begin at 6 p.m. and will include a light dinner and refreshments.
