

SUGAR SHACK WORKSHOPS

All GTB community members are invited to be a part of the 'All About Red Willow' workshop & the 'Feast Our Maples' picnic, great workshops for all ages. Come learn about Red Willow harvesting, propagation, preparation, and its diverse uses as medicine, teacher, and craft.

Then join us for a Maple Feast, picnic-style with stories and teachings while showing our Ininantigeg (*Maples*) they are cherished and cared for this year.

Members of the community can visit the GTB Natural Resource Dept. Sugar Shack on Putnam Rd. Drop-ins are welcome!

WORKSHOPS OPEN TO PUBLIC

Join us in honoring the wisdom of the land and the Maples at our Grove this season. Though we didn't tap the Maple trees this year, it was a decision made with deep consideration and respect. Instead, we invite you to join us in ceremonies and workshops focused on stewardship and appreciation.

All About Red Willow April 16th & 19th • 4PM - 6PM

On April 16 and April 19 from 4pm-6pm, come to the Sugar Shack in our Grove for an enlightening session on Red Willow. Learn about harvesting, propagation, preparation, and its diverse uses as medicine, teacher, and craft material, including basket making. Please wear close-toed shoes for this outdoor workshop.

Feast Our Maples! April 24th • 4PM - 6PM

Then, on April 24 from 4pm-6pm, join us for a Maple Feast, picnic-style. Bring your pow wow or parade chair and enjoy stories and laughter as we share our own gifted stories about the Grove and traditional teachings. Feel free to bring feast bundles and a dish to pass, though it's not mandatory.

Let's show our Ininantigeg (*Maples*) they are cherished and cared for this year. We look forward to gathering with you in the spirit of reverence and community.
