 **Course Description:**

The Internet is a powerful tool for learning, communication, and entertainment, but it also comes with risks that every student should be aware of. This course, led by **Carlos Sanchez**, a law enforcement officer with extensive experience in juvenile investigations and online safety, will provide students with **critical knowledge and practical strategies** to stay safe online.

 **Learning Objectives:**

By the end of this course, students will be able to:

- ✓ Understand the risks of online interactions and social media use.
- ✓ Identify potential online threats, including cyber predators and scammers.
- ✓ Recognize the long-term consequences of sharing personal or inappropriate content.
- ✓ Apply strategies to manage their online presence and protect their privacy.
- ✓ Respond appropriately to cyberbullying, threats, and harmful messages.
- ✓ Use social media and digital platforms positively and responsibly.

Please exercise parental judgment regarding your child's experiences and maturity level as to the appropriateness of this course. Feel free to contact Christa or Leilani with details to help you make an informed decision for your child.
