## About Me:

Welcome to 2024/2025 School Year! I am Kim Hinmon and I am super excited to be Benzie and Manistee Counties' Student Services Advisor. I love living in Northern Michigan and love to explore local hiking trails. I have three Children, Nijji, Jelly and Ben, who I love to spend time with. I enjoy spending my free time sewing regalia and ribbon skirts. I collect beaded earrings. I look forward to meeting you and to having an amazing year!
